Add additional administrators

You will be designated as an administrator for your school. GitHub will communicate with you about the program.

Are there additional administrators you would like to add?

Add another administrator

Tell us about the email domains at your school.

Domain

dtu.dk

Who is eligible for this domain?

☐ Faculty

☐ Staff

☐ Students

☐

Alumni

What makes an individual at your school eligible for this school-issued email address?

Please describe the eligibility requirements, i.e.

Does your school revoke email addresses associated with this domain when the owner leaves or graduates?

Choose an option

Add another domain

To make it official, we'll need your printed signature.

Download your order form, sign it,  and then upload it.
